Annual Gandhi/King Season for Nonviolence

transforming lives
experiencing love

A *Season for Nonviolence*, January 30 - April 4, is a national 64-day educational, media, and grass roots campaign dedicated to demonstrating that nonviolence is a powerful way to heal, transform, and

empower our lives and our communities. Inspired by the 50th and 30th memorial anniversaries of Mahatma Gandhi and Dr. Martin Luther King, Jr., this international event honors their vision for an empowered, nonviolent world.

A Season for Nonviolence was co founded by Arun and Sunanda Gandhi of the M.K. Gandhi Institute for Nonviolence and a group of ten ministers forming the Leadership Council of The Association for Global New Thought, of which New Thought Unity is a charter member. This is the organization that

convenes *A Season for Nonviolence* on an annual basis. Its purpose: to focus educational and media attention on the philosophy of

Rev. Doris Hoskins

Rev. Pat Williamson

attaining peace through nonviolent action as demonstrated by Gandhi and Martin Luther King, Jr. This grass roots campaign is now in its seventh year.

We are committed to making this *Season* one of change in New Thought Unity and in Cincinnati. We are coordinating city-wide activities to focus the attention of our city on peace. Our Sunday services will be focused on ways to create peace in our lives right now. We will be offering special classes and workshops throughout the *Season*. Please watch for information in our *Weekly Messenger* at church. We are taking to heart Gandhi's charge, "You must be the change you wish to see in this world." Please join us in this pledge.

Fun Fridays

Offering everything from Salsa to Cinema, Massage to Mask Making

Come to NTUC for a whole host of activities on Friday evenings in 2005. First up is Fun Fridays Spiritual Cinema in a reinvigorated format. On the first (Fun) Friday of every month, watch new video/DVD releases or classics of "movies with a message" while munching real theatre popcorn. Want to talk about what you just saw or hear what others have to say? Feel free to share your insights during the lively discussions led by Greg Loomis, Paul Darwish, or Jay Williams. See pages 11 and 12 for the film listing.

Do you love to dance or want to learn? Come sizzle with Salsa, the hot-and-saucy Latin dance that makes you burn for more. (And if this is a hit, we will offer more!) In this two-hour class, Diana Hoffman of Step-N-Out Studio will teach you the salsa basics and help you build a foundation that will have you shining on the dance floor in no time.

Have you admired Tango dancers from afar, secretly wishing that was you on the dance floor? Here's your chance to learn the Argentine Tango. Our instructor, Michael Wizer, has taught hundreds of students in Pittsburgh, Cincinnati, Montreal, and Lexington. See page 11 for specifics on both dance classes.

Board News

Dear Friends:

Carol Wehmann

This is the time of year we reflect on the year that has passed, assess our contributions and plan ahead with new intentions. Many positive and powerful visions were held for the Center this past year and great strides have been made in some areas. In others, we are still seeking your support and guidance to make them become a reality. The 2005

Budget holds the key to the realization of most of these goals. We will increase our direct communication with the congregation regarding these areas in the coming months.

The Members of the Board have welcomed and appreciated the continued support you have given New Thought Unity Center. The fellowship and love we have shared through our planned programs have made our Center what we hoped it to be...a place where all are welcome regardless of where they are on their particular journey. We hope to continue to grow in the number of "seekers" who have found The Center a comfortable stopping place. We have welcomed 55 new members in 2004.

As we move ahead, be mindful that we all are the Center, with our own gifts to contribute to its growth and development. Become involved, stay involved, and we as a Board are always appreciative of your support in any manner in which you wish to participate.

Love and Blessings,
Carol Wehmann
Board President

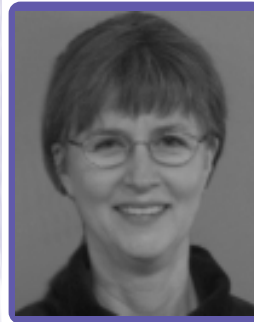

Thinking Of Becoming A Member?

Unity
Way of
Life

For those who are curious about becoming a member of the Center OR just have a desire to learn more about Unity, we offer the Unity Way of Life class. Beyond learning about basic Unity principles, attendees also will learn who's who and what's what at the Center during this five-week class. It is the perfect class to attend whether you're contemplating membership, just want to find out more about the Unity Movement or perhaps to know how the Center determines who serves on the Board of Trustees. The series of classes is offered three times a year with the next session beginning Sunday, January 27, and ending February 27. A reminder for those joining: New Member Sunday is March 6.

New Roles & New Faces

Lou Freeman Joins ntuc as Director of Adult Education

Lou Freeman

We are pleased to announce Lou Freeman as the newest addition to the New Thought Unity Center staff. Lou serves as Director of Adult Education, overseeing classes and events. George Whitton, Licensed Unity Teacher, who had previously included this amongst his many duties, will now focus on expanding NTUC's radio programming and assumes the newly created position of Assistant to the Ministers.

Lou Freeman, while studying A Course in Miracles, became aware of NTUC. Since attending, she has become an aspiring and potential ministerial candidate. She attended Unity Village and started taking classes in the Personal Development Program. She presently has 170 credits through Unity Institute.

A retired senior national account executive with a Fortune 500 company, Lou brings to the position her extensive business skills including management, sales, training, counseling, and event planning. A pharmacist by training, she believes in the balancing of mind, body, and spirit. According to Lou, being part of the NTUC team is part of her growth experience, and she is loving it! Welcome, Lou!

Arlene Meyer Assumes Volunteer Coordinator Position

Arlene Meyer, who has directed her share of successful events at NTUC, takes on the responsibilities of Volunteer Coordinator. Team leaders and special event chairpersons will report directly to Arlene. We welcome Arlene's smiling face and her warm, energetic personality!

Deepening Your Involvement

Have you heard of Unity's Personal Development Program and wondered what it actually was? Have you questioned what CEP credit is and why it is offered for some classes at NTUC? Have you dreamed of going to Unity Village and taking classes? Has the thought of becoming a Licensed Unity Teacher or Minister ever crossed your mind? Come join George Whitton, Licensed Unity Teacher, and Lou Freeman, Director of Adult Education, as they discuss the latest information from Unity's Spiritual Education and Enrichment (SEE) Department and answer as many of your questions as possible. Sunday, January 9, at 12:30 PM in Classroom B.

Ministry Support Services

Personal Consultations

You don't have to handle life's challenges alone. You can call on our ministers and Licensed Unity Teachers for support in dealing with difficult changes, events and decisions or to explore questions of a spiritual nature. We offer three visits on a love-offering basis. Call Peggy at 513.961.2527, ext. 100, if you would like an appointment.

Prayer Ministry

Unity is with you at all times – in person, by telephone, or on a recorded message – to pray with you, to give you support, to be your friend. You may inform us of your prayer request by calling 513.961.1119, 24 hours a day.

PRAYER REQUEST BOX

Fill out your prayer request slip and drop it in the Prayer Request Box located in the Sanctuary or Chapel. After a time of prayer, this list is sent to Silent Unity where your request is held in prayer for 30 days. You can also phone the Center office at 513.961.2527 to make your request known.

MEDITATION SERVICE

Noon meditations are conducted in the Chapel Monday through Friday from 12:00 to 12:30 PM and Sunday mornings at 8:30 and 10:30. The Chapel is open during the week from 10:00 AM to 4:00 PM for your private meditations.

Helping Hands With heart

The Helping Hands Team can assist you when you're unable to physically help yourself. This might be following a hospitalization, accident, emergency, or if your family is out of town. You may need to have errands run or some household tasks performed. Helping Hands is not for long-term care. It has no monetary budget and therefore cannot provide assistance for financial problems. The team is, however, ready to help you out in your time of need as we also have information about other agencies in the greater Cincinnati community. If you need assistance, don't hesitate to call either Gladys (513-731-0877) or Arlene (513-751-7249) or the church office for contact with our spiritual community's loving benefits.

Chaplaincy Program

Our Chaplains are here to support you on your spiritual journey. A Chaplain is someone who can listen to you and will hold what they hear in confidence. A Chaplain is someone who can pray with you. If you would like to speak with a Chaplain, just call the Center at 513.961.2527 and your request will be forwarded.

Passport to Transformation

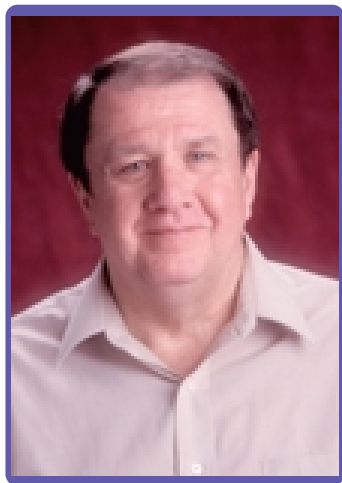

Reverend Doris will be our guide in a new series, Passport to Transformation. This series was developed because of requests for an in-depth study of our five Unity Principles. Each three-week segment of the series explores one theme followed by a Heart Awakening Meditation experience on the fourth week.

This meditation experience connects us with the grace energy of God that can be found by getting in contact with our Awakened Heart Center and manifesting the Grace of the Heart in our lives.

See page 10 for more information.

Smart Giving

by Mackey M. McNeill, CPA/PFS

Perhaps you often considered taking the 4T Prosperity class or Keys to the Kingdom, but backed away when you discovered tithing was involved.

And why is tithing so scary? Because you fear there will not be enough if you tithe. Unity teaches that what you give out, returns to you. So if you are in the fear of “*there is not enough*,” what is going to return to you? The reality that there is not enough!

This January you again have an opportunity to walk through your fear and along with a group of like-minded individuals, create a new reality. One that releases the fear, so you can begin to live in true abundance.

Imagine the possibility of your life if you began to treat your money like air. You never worry that there will be enough. You don't consider that in the next breath you will be in lack. And it never occurs to you to get someone else's air so you and your family will have enough.

Come and experiment with Rev Pat and me in creating a new reality in the New Year. All you need to do is join us beginning January 12, 2005 for Keys to the Kingdom.

Bookstore News

So many new books are released every week and there are three that are selling well in the bookstore. You might like to call in and order or stop by and take a look.

The first title is *A Heart Full of Peace, Life Affirming Prayers*. It is co-authored by Rev. Pat Barker, who co-ministered the Center for almost 30 years until retiring, Lin Heald, a truth student and former Center Business Director, and Nancy Whitton, who is a member, a Licensed Unity Teacher and a Unity Chaplain.

The book is filled with prayers for every situation, event or circumstance and should be in everyone's home. There are prayers for health, for family and friends, for daily living, for feelings and emotions and wonderful prayers to be used for ourselves as a personal communion with God.

The prayers are so universal in their content that anyone you know, no matter what their belief system might be, will be blessed by this book. It is spiral-bound to lie flat on your nightstand or coffee table.

Bestselling author Caroline Myss has a new release called *Invisible Acts of Power: Personal Choices that Create Miracles*. Her own experience with two small acts of kindness inspired her to muse, “What really takes place when you respond to someone in need?” She found that no matter how small the act may seem to be, the energy that is channeled through that action is the high-voltage current of grace.

In this book, Myss explores the seven stages of the practice of compassion and generosity and shows that the choice to do good, to act in the service of others, is as essential to our physical and emotional health as it is to our intuitive development. In fact, she reveals, generosity is a biological *and* a spiritual necessity.

The book includes many first-hand, personal stories from more than twelve hundred letters sent to her Web site. These simple, but profound ways that people connect to create small miracles, gain a greater sense of spirituality, and transform their own—and other's—lives in an instant will inspire you to your own invisible acts of power...and attract them to you. Don't miss this one, it is a treasure!

The Disappearance of the Universe by Gary R. Renard is based on the principles found in *A Course In Miracles*. It is written in conversational style with two representatives of a higher realm who visit the author and share their teachings.

Diamond Approach Weekend

A new Diamond Approach group is forming in Cincinnati. An introductory weekend program will take place in January, 2005. All individuals interested in spiritual development are invited to participate. Our weekend program will include the fundamentals of the Diamond Approach which include lectures, meditation practices and inquiry.

The Diamond Approach is a method of self-realization developed by Hameed Ali, who has become well known through books written under his pen name, A. H. Almaas. It is characterized by sincere inquiry into one's experience, fueled by the love of truth. The immediate contact with the truth of our experience allows the unfolding of our soul to reach increasingly deeper levels of truth, each level a valid expression and display of the deepest Truth. The fruition of this path is not simply the realization of this depth but the actualization of True Nature in all its various dimensions and aspects.

Sacred Selfishness: The Path of Love and Authenticity

Most of us are taught to be generous and to meet the needs of others, but often we don't know how to give to ourselves. During Saturday's workshop participants will explore the path of Sacred Selfishness, concluding with a plan on how we can all cultivate relationships and lives that are filled with gold. The facilitator is Bud Harris, Ph.D., a Zurich-trained Jungian analyst practicing in Asheville, NC.

Date: Friday, February 25 and Saturday, February 26

Time & Location: Friday, 7:30-9:30PM; Saturday, 9:30AM-1:00PM; Friendship Hall

Radical Forgiveness Ceremony

If you are ready to let go of the past then join us for this special ceremony. Based on a native American Healing Circle Ceremony, this largely non-verbal process preserves privacy and anonymity, yet has proven itself to be extremely powerful and effective in allowing people to forgive themselves and others, and to find peace and happiness.

We walk the circle once to silently honor and witness our "story" of what happened. As we see others walk too, we realize we are not alone, and we honor their pain. After a special Radical Forgiveness story, we walk the circle again and affirm that we have come to a new perspective of forgiveness and peace. There is a powerful energy shift and people leave with tears of joy. This is entirely non-threatening and can change your life forever!
